Notch collar shirtdress in brown or blue, 12-20.

#### Seek Funds For Scout Program In Pittsfield

PITTSFIELD - According to Mrs. James Berg who is in charge of the Girl Scout fund drive in Pittsfield, the city area has fallen short of its quota to date and businesses and individuals are still being solicited for funds to help finance the 324 E. STATE ST. Scouting program of the Two Rivers Council.

The Two Rivers Council in cludes Scouts from Pike, Adams, Brown, Hancock and Schuyler counties. The Council maintains the resident Camp Saukenauk near Lima and Camp Byrnes near Griggsville. Richard Niebur is fund drive chairman for Pittsfield

Pittsfield Notes Joe Iftner, a member of the Farm Bureau staff for 11 years resigned, effective Oct. 1 and accepted a position as insurance broker for the Northwestern Mutual of Milwaukee, Wis. with headquarters in Quincy. Mr. Iftner served first as an organization director and assistant farm advisor and later as secretary in charge of maintenance and legislation.

Mr. and Mrs. Harry Wright are parents of a son born Wed nesday at Illini hospital. Mr Wright is Pike County Farm

Fred Kern of Pittsfield is a student teacher of music in the University High school on the campus of Illinois State University at Normal.

BERNE FURNITURE is custom-built by Swiss craftsmen. Choice, selected kiln-dried hardwoods are used for all frame construction. All joints are fully double doweled and reinforced with glued blocks. Small wonder that BERNE FURNITURE offers you a lifetime construction guarantee.

Deep Premier wire hourglass springs are actually fastened into as well as on a rugged base construction.

Base coils are expertly hand-tied with imported twine for greater uniformity and comfort. There you have the inside story.

And, the cover of this story is equally interesting. The finest fabrics and styling in the industry give you truly complete living room furniture. BERNE FURNITURE is always in good taste.

Jacksonville, Oct. 3, 1965

MT. STERLING - Seventh and eighth graders of the area and all high school age students are invited to a social meeting at 6 p.m. tonight at the local Methodist church. Young people are requested to bring their own sack lunch.

Journal Courler

The speaker will be Her Rodriguez, I.F.Y.E. 4-H exchange student from Uruguay.

Demo Women Oct. 4 The Democratic Woman's Club of Mt. Sterling will meet at 7:30 p.m. Monday, Oct. 4th, at the Mitchell cafe here. Mrs. Gretchen Nations, president, will be in charge.

Mrs. Carrie Buckley and Mrs. Clarence Parker of Mt. Sterling left Saturday by bus on a guided tour through New England states. They expect to be gone about two weeks. Mrs. James Mitchell of Mt. Sterling is in North Carolina

being called their when her daughter, Mrs. Dean Davis, became hospitalized. Mrs. Davis is reported improving. Mrs. Edna Whalen of Colchester is a patient in Mc-Donough hospital at Macomb, suffering a heart condition. She

is the mother of Mrs. Leola Simmons of Mt. Sterling. Members of the CWF, First Christian church, executive board met Sept. 30th at the home of Mrs. Carrie Buckley here. Officers and circle leaders attended. The hostess served refreshments at the close.

#### MISS SCHUMACHER IS HONORED AT **BRIDAL SHOWER**

CHAPIN -- Miss Marilyn Schumacher was guest of honor at a miscellaneous shower held recently at the Carl Tiemann home with Mrs. Carl Tiemann and Mrs. William Alexander serving as hostesses.

Miss Schumacher will become the bride of Thomas Noble of Springfield this month.

Attending were Mrs. Florce Noble, Mrs. Charles Schnitker, Mrs. Harold Wessler, Mrs. Robert Burrus, Mrs. Martin Burrus, all of Arenzville; Mrs. Byron Tiemann, Mrs. Arlo Schumacher, Mrs. Theodore Staake, Mrs. Elfred Detmer and Miss Ada Schumacher, all of Chapin: Mrs. Ernest Thies, Mrs. Melvin Thies. Mrs. P. R. Briggs and Mrs. Arthur Nerganah of Jacksonville.

Unable to attend, but sending gifts, were Mrs. Larry Noble, Mrs. J. K. Nelson, Mrs. Edward Dober and Miss Beth Schu-

Refreshments were served from a table decorated in green and white.

#### JAMES THOMPSON ENLISTS IN ARMY

James Edward Thompson, 18. son of Mr. and Mrs. Clarence Thompson, 627 North Clay avenue, left the city Thursday for Army basic military training at Fort Leonard Wood, Mo. Thompson, who previously attended Hurstbush Community High School, near Carbondale,

Ill., enlisted. The Thompson family moved to Jacksonville from the Hurstbush community five months

COSMETIC DEPT 

What means "style" and "comfort"? THE ST. ROQUE WORSTED SUIT by Hart Schaffner & Marx

Style is defined in the iridescent look of these pure wool worsted suitings with their compound colorings and lustrous highlights. Style is evident, too, in the cut of the suit—the advance-fashion look of HS&M's Monaco Collection. Comfort is defined in the easy, natural feel of HS&M tailoring and the assurance that the well-dressed look (and feeling) you buy you keep. For the best idea of what style and comfort mean, stop in and try on an HS&M St. Roque Suit. \$85.00 up

#### 'Y' TO SPONSOR BASKETBALL TEAM

The Jacksonville YMCA will sponsor a no-age-limit basketball team in a 12-team league this year, playing among 11 other YMCA teams from Peoria throughout Southern Illinois.

The squad will be made up of local and Jacksonville area players and will play a full schedule throughout the basketball season. The playing site and starting dates for practice and regular season games will be decided by a 'Y' meeting late in October or early in November. The coach or coaches, yet undecided, will be all volunteer work, as will be all work concern-

The local 'Y' sponsored their own league four years ago, and sent a representative to the state meet. The way the state league was set up last year had the 12-team league split up into two six-team leagues, with each team playing a double roundrobin with the other five teams in the particular league, ten games in all. The top four teams, two from each, then played for the district title and the right to advance to the state tournament. It is assumed the procedure will be the same this year. TEAMS IN THE LEAGUE besides Jacksonville will be Peoria, Quincy, Springfield, Decatur, Alton, Granite City, Belleville,

Champaign, Danville, Macomb and Monmouth. Anyone interested may try out for the team, at a date to be

Local basketball supporters had previously planned to get in the tough Illinois Valley AAU Basketball League, but upon finding out full details discovered the full cost of financing a local team exceeded what they had anticipated, and decided against entering a team.

DENNIS SERGEANT, who set most of the Jacksonville High school football passing records last year, will have his gridiron activity curtailed at least for awhile.

Sergeant, who received a near full athletic scholarship at North Central in Naperville, Ill., this his freshman year, will undergo an operation soon for torn ligaments in his hip.

The injury occurred while participating in North Central's football program this year, although Sergeant had suffered leg -Michigan State, frustrated in Big Ten opener for both schools back Steve Juday and fullback moving the ball across the goal failed) trouble during his senior year at JHS. He will also have a little the early part of the game and Saturday. finger rebroken and reset. The finger was broken last year.

Sergeant, who may play as a freshman at North Central, first half, roared back for two in the nation, came to life after. The Spartans added their secplayed half the game at quarterback in his team's practice game touchdowns in the final quarter; an 86-yard power drive in the ond final period touchdown after Daugherty's imports from Ha-failed) against Harvey Junior College at the first of the season, with North Central winning 25-7.

HERE 'N THERE: Jacksonville High school is hiring four football officials for all their home games this year. This marks the first season for such, but coach Bob Kraushaar reports that many of the officials report they need four on a team to call a game right. There is a trend all over the state in the larger schools to four, instead of the usual three. Both MacMurray College and Illinois College are holding

fall baseball practices currently. Mac will play a few games, but IC is just working out on hitting and infield, and will not play any games. This is the first year for such practices at IC. McGinnis, a corner linebacker, had knee surgery last Thursday morning in Carbondale. He played both ways for the Saluki, and is the son of Mr. and Mrs. Albert E. McGinnis, Jacksonville, Earlham counterpart grabbed.

Earlham counterpart grabbed.

Slim 23-21 Edge formerly of Pittsfield. McGinnis was an all-stater while attending Pittsfield High, and received honorable-mention for all-America. He should be back in action Oct. 30.

# Win For Frosh

LINCOLN - A pair of fourthquarter touchdowns by Tom Phillips brought the Jacksonville High freshman from behind and earned a 12-6 count over the Lincoln frosh.

The first quarter turned into a defensive battle, with Steve Gaudio's punting keeping Lincoln inside their own 25. Both JHS teams had long gains called back in the second period because of penalties.

Lincoln scored first on a 65yard run in the first series of the final quarter. Jacksonville came right back with Duane Mounts throwing 45 yards to Phillips after the ball was deflected, but the try for the PAT was stopped short.

The winning margin in the game came with three minutes remaining when Phillips rambled 30 yards off an end around view play, behind good blocking by Chuck Dinquel and Terrill Ham-

The JHS frosh are now 2-1 for the year. A 15-minute game

# Dodgers Clinch NL Pennant, 3-1, Behind Koufax

#### Sandy Hurls 4-Hit Ball For 26th

LOS ANGELES (AP) - Los Angeles clinched the National pennant in typical Dodger fashion Saturday, defeating Milwaukee 3-1 behind the four-hit pitching of Sandy Koufax and a two-run, fifth-inning rally built on one hit.

The victory, their 14th in the last 15 games, climaxed a 17day comeback that brought the Dodgers from 41/2 games behind San Francisco to their third pennant in seven years and their seventh in the last 14.

The Dodgers now face the American League champion Minnesota Twins in the World Series starting Wednesday at Minnesota.

Second-place San Francisco edged Cincinnati 3-2 earlier m the day but lost all chance for the pennant when Los Angeles downed the Braves. The Giants are two games back with only one game remaining.

Koufax, working for the clincher with only two days rest instead of his usual three, gained his 26th victory against eight defeats. He went into the game with shutouts in his last five victories but was tagged for a leadoff home run by Gene Oliver in the fourth inning.

The brilliant 29-year-old lefthander, who was battered by the Braves only 10 days ago, struck out 13, raising his major league record total to 382 for the

Oliver Ties Game

Oliver's homer offset a run the Dodgers scored without a hit in the first inning. Jim Gilliam walked, stole second, continued to third when catcher Oliver fired the ball into center field and raced across on Tony Cloninger's wild pitch.

The Dodgers used similar tactics in the fifth inning, but this time they had the help of one of their two hits in the game plus bases-loaded walks to John Roseboro and Koufax.

Cloninger, now 24-11, started the inning by walking Lou Johnson, and Jim Lefebvre followed Staunton 18 with a single past third baseman Mike de la Hoz that sent Johnson to third.

Wes Parker then grounded to first baseman Joe Torre, who fired to the plate. But Johnson headed back to third, and Oliver Fractional 6 whipped the ball to de la Hoz. Johnson slid back into the base safely, and the Braves argued to no avail that he was out.

With the bases loaded, Cloninger walked Roseboro, forcing in the tie-breaking run. The Braves' ace right-hander then went to three balls and no strikes against Koufax, and Manager Bobby Bragan called in Ken Johnson.

Johnson's first pitch was ball, and the Dodgers had another run. Johnson, however, escaped further damage by getting Maury Wills on a shallow fly, Gilliam to hit into a force play at the plate and Willie Davis on a grounder to first.

The only other hit the Dodgers got was Lefebvre's single in the sixth while the Braves' only other hits were singles by Woody Woodward in the third inning, Oliver in the eighth and de la Hoz in the ninth.

Manager Walter Alston, who has won five pennants in 12 years with the Dodgers, was greatly pleased with his latest champions, who don't have a regular hitting .290.

"What more can I say in 7 praise of a team than that they played their very best in those games they had to win most. I'm proud of them," he said. Milwaukee 000 100 000—1 4 1 19 Los Angeles 100 020 00x—3 2 1

New York Pro Musica Tuesday, Nov. 9

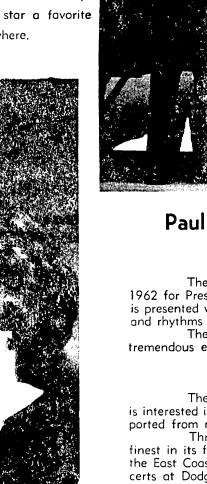

Noah Greenberg Pro Musica's Conductor

New York Pro Musica, superb musicians vocally and with conventional and rare instruments, produce the beauty of old masterpieces for an eager present day audience. It's conductor, Noah Greenberg, accepts nothing but perfection.

Beautiful Shirley Verrett, who has captivated audiences here and abroad, has trained her voice since she was a child of six. Her triumphs as Carmen, on stage; singing Habanera at Philharmonic Hall and sensational recordings and television appearances make this star a favorite with audiences everywhere.

Paul Winter's Concert Jazz Ensemble April 27, 1966

The Paul Winter Jazz Concert Ensemble which created a sensation at its appearance in late 1962 for President and Mrs. Kennedy, will provide its deliberate exciting music next April. The program is presented with dignity and the organization of a symphonic program, yet has the contrasting moods and rhythms unique to jazz concert music.

The recording Ensemble artists have been acclaimed in 25 different countries resulting in tremendous enthusiasm and proving the great ability of jazz as a medium in cultural exchange.

The Chicago Little Symphony, under the baton of Thor Johnson, is in its fifth season. Johnson is interested in 'unusual but listenable' music and each year several exceptionally gifted artists are imported from nation-wide to join the Chicagoans.

Three or four soloists are usually featured by the small symphony, called by many critics, the finest in its field. Each season finds the group playing in fifty or more cities from Canada to the Gulf, the East Coast to the Rocky Mountains. This year the Symphony has received standing ovations in concerts at Dodge City, Kansas; Freeport, Illinois; Pueblo, Colorado; Sioux City, Iowa; Madison, Wisconsin, and next March will captivate Jacksonville listeners.

#### **Editorial Comment**

#### Attacks On The PTA

The head of the National Congress of Parents and Teachers has registered a strong protest against use of automatic telephone message facilities for slanderous attacks on the PTA. This draws further attention to the fact that the PTA is the object of a smear campaign directed and carried on by extremists of the far right.

This is of particular concern to the more than 11 million parents and teachers who are members of the PTA in communities throughout the nation. It also is a matter of concern to the great majority of Americans who believe that while groups and individuals may legitimately be criticized they should all be judged on their merits. Underhanded attacks and harassment which both foster and are motivated by fear and hatred run counter to the American tradition.

The Parent-Teachers Association, founded in 1897 to improve the environment of America's school children. has an admirable history. It has played a generative role in bringing about such achievements as the school lunch program, anti-child labor legislation, free kindergartens and, more recently, the National Defense and Education Act. This helps to explain why attacks on the PTA have come from the John Birch Society, the White Citizens Councils, the Ku Klux Klan and other extremists.

In a recent issue of Look magazine, Ernest Dunbar recalled the Birchers' 1960 directive to their membership to "go to work to take over the PTA." In the five years since then, Dunbar writes, threats and abuse have already reduced PTA membership from 12 million to 11 million plus at a time when school population was expanding. As the article notes, there have been threats by telephone and mail, by harassment and disruption of meetings. Such tactics are out of line with American methods of resolving differences openly. The public had better awaken to what is going on.

#### More Exports Needed

A touch of mild optimism about the U.S. balance-of-payments situation was commonly felt last summer when it was announced that a small surplus had been recorded in the second quarter. Though the surplus was only 132 million dollars-A figure seen in perspective when one is reminded that for the past several years deficits have exceeded three billions annually -the black ink provided a psychologi-

Even at that euphoric moment. however, Treasury officials were cautioning that steady improvement in the balance-of-payments picture was not likely. It was noted that some factors contributing to the surplus could not be repeated, and that heavy tourist spending abroad would be reflected in third - quarter figures.

The need for continued vigorous business cooperation with administration efforts to improve the picture has new been stressed again by Secretary of Commerce Connor. His

remarks make it clear that the problem is by no means solved, despite the encouraging news in mid-August.

Connor observes that although exports increased by 1.5 per cent during the first seven months of the year, imports rose 12 per cent during the same period. It is thus apparent that much remains to be done.

Connor puts the matter a lot more

strongly than that. Noting that in the past he has described the over-all problem as "serious," "urgent" and "critical," he adds, "Today, after seven months of the program, I am still using those terms—and if I could think of a stronger one, I'd use that, too." The commerce secretary called on businessmen to work hard at where he can toughen them up other nuclear charge. achieving a substantial increase in exports. As the saying goes, that's the ticket. Here is a chance for private initiative to show what it can do to remove a sharp thorn from the side of America's healthy economy.

#### Where Do Comets Come From?

By WALTER B. HENDRICKSON JR.

In 1964 Donald Robey, a Physicist at General Dynamics Astronautics, began wondering where comets come from. To find out he put information on the orbits of the 556 comets that have been accurately tracked into a computer. The computer came out with a design ALICIA JEAN ALLEN was that looked like an accenore one year old September 27. She through the sun.

Robert Allen, Alton, and the theory that comets come from Suttles, Woodson; and Mr. and a hollow ball of dust hanging Suttles, Maurice Broadon, Jack Mrs. Maurice Brogdon, Jack- and the nearest stars. So Robey had to look for a new explanation for the origin of comets. The comet orbits were all centered about the sun so it looked like this was where they came

First Robey thought that the huge solar prominences, great chunks of the sun's outer atmosphere, that sometimes fly off into space might fall back to earth. However, with the help of the computer he found that When bird watchers plan a these prominences move so fast travel trip, they usually worm that they can never stop.

in a habitat characteristic of Robey now turned to the Solar some bird that they have never Wind for the source of comets. seen but have read much about. Prayer Poem --

#### Let God Lead

By Mary Pence Claywell

Sometimes we grow so restless. And vexed with life and sin. We don't know where we're go-

And. . .we don't know wher we've been: 'Tis then, we need a guide line. And there is One, 'tis true: Whose will, it is to lead us,

If ... we are willing, too: Life's barren, Lord, without And in the "youthful" age.

The time is ripe to seek Thee, Our future hopes, to gauge: And if, we can not, Lord, decide. It's hard sometimes, and true,

We only need to lift our eyes, And cry, "what shall I do!" Then Thou wilt hear, O precious

And quickly give us light. . . We'll travel on, because we

You'll lead. ...our steps aright!

Robert Fulton, best known for his development of the steamboat, began his career as an artist but turned to engineering. As early as 1797, living in France, he submitted plans for a submarine, suggesting to the French that British warships could be destroyed by submarines attaching underwater bombs and then escaping undetected. His "Nautilus" was launched in 1800 and per-

tormed creditably.

SENATOR YATES' ELGIN SPEECH — The Springfield JOURNAL says: George J. Stears, Esq. a large publisher Boston Miss has published and circulated 20,000 copies of Senator Yates' speech and he now advertises to furnish additional copies at the rate of six dollars per thousand, executed in the best style.

Yates made his famous speech in Elgin on the Fourth of fuly, 1865, and it certainly caused a lot of comment. He asserted that the Negro had every right to vote, because he was equal in all ways to a white man and superior to many of the latter. Very few of his friends in Jacksonville agreed with him, and some former friends became so angry they simply boiled over and couldn't express just what they thought

of Yates or his speech. Up to the 28th ult., the Treasurer of the Lincoln Monument merchandise direct from New brought from 6 to 10c a pound Fund reports the receipt of \$54,-

William E. Robertson, 56, of will be in Neenah, Wis. Waverly was reportedly unhurt Kumler sustained a fractured right leg, lacerations and abrasions of the head; Mrs Merriman was recovering from a facial laceration; Miss Fitzpatrick sustained an abrasion and Miss Pierceall was treated

for a fractured leg. State police said Robertson. southbound on Ill. 111, had stopped for a school bus to unload passenger. Officers reported that Robertson then attempted a U-turn.

Kumler's northbound was unable to avoid striking the Robertson vehicle. The force of the impact knocked the Kumler auto out of control and it swerved across the highway into a ditch, and back across the road where it struck a tree.

The injured were taken Holy Cross by the Neece ambulance service. Miss Pierceall was taken to Springfield by a second Neece vehicle.

#### Woman, 73, Hurt In Crash Friday

A 73-year old Jacksonville woman was reported in satisfacory condition by a Holy Cross hospital spokesman Friday night where she was recovering from injuries sustained in a twocar accident Friday afternoon. Listed in satisfactory condition was Mrs. Agnes Hembrough, 73, of 105 West Greenwood. She was a passenger in a car driven by her husband, George W. Hembrough.

Officers reported that the Hembrough vehicle, northbound on South Diamond, was struck by a westbound car on West Michigan. The second auto was operated

by Ethel E. Wright, of 826 South Clay, who told police she did not see the Hembrough car until it was too late to avoid the collision. Mrs. Hembrough reportedly

sustained leg and head injuries She was taken to the hospital by Lowe ambulance service. Police cited Mrs. Wright for failure to yield the right-of-way.

They listed the time of the accident at 2:28 p.m.

# Crimsons And ISD Score 1st Wins; Routt Tied 7-7

## Last Minute TD Earns 20-14 Margin

By BUFORD GREEN

A late 66-yard scoring drive that culminated with a touchdown with 35 seconds remaining in the game brought Jacksonville from a 14-13 deficit and gave the Crimsons their initial gridiron triumph of the year, a 20-14 edge over a strong Decatur MacArthur outfit.

Quarterback Danny Brooks plunged over from one

yard out to cap the scoring drive that was highlighted by the slashing running of Harry Gollier and Larry Nortrup, and a key pass from Brooks to Abe Brown.
